SUMMARY

Versatile Web Developer with over 10 years of experience, proficient in PHP, CSS3, HTML5, and JavaScript. Specializing in WordPress, WooCommerce, and React, with expertise in both front-end and back-end development. Skilled in project management tools like Asana and Jira, with a knack for translating design concepts into functional web applications. Actively contribute to open-source projects on GitHub, demonstrating a commitment to collaboration and continuous learning. Ready to apply expertise in LAMP/LEMP stacks and emerging technologies to drive innovative projects forward.
